GUARD YOUR DEBIT CARD

Fraud transactions on debit cards is rampant. You could be obligated for a \$50 loss if your number is stolen. Here are some suggestions for guarding yours.

*Never swipe your card like a credit card. Pick credit and use your pin number.

*When traveling use your pin number.

*Don't use it on the internet. Use a credit card only.

*Always know where your debit card is and in your line of sight. Make the vendor do the transaction in front of you so you can use your pin.

* If you lost it or it is stolen let us know right away, it will prevent charges on the card. We have a monitoring system that can pick up fraud. Call 1-888-918-7882 to report your card number.

These suggestions will not prevent all fraud but, it will prevent most fraudulent transactions.

Travel and Gift Cards for Anytime

Available at the credit union is a pre-paid VISA travel card you can use anywhere VISA is accepted. You use the card like you would a credit/debit card. The card is \$5 and has unlimited refills. You can do it all at the credit union. Load it from \$100-\$5000.

Because debit gift cards are so popular we are also offering a \$3 gift card you can fill up from \$10 to \$500 and you can use it anywhere VISA is accepted. When you purchase a card you receive a brochure on what to expect on each type of card.
